ALEPPO TEMPLE SHRINERS TOUR

to "The New World Riviera"
Lucaya
ON GRAND BAHAMA ISLAND

Land Tour organized by

GARDEN CITY TOURS

Congress 2-2020

Dear Noble:

Your Illustrious Potentate has completed arrangements for our Shriner's Spring Tour for all Nobles and their families for 7 days.

This time our tour will take us to a new and different place, LUCAYA, an exotic spot on an enchanted tropic isle in the middle of a deep blue sea. LUCAYA, on Grand Bahama Island, is bathed in a golden sun and surrounded by powdery white beaches, yet offers the glamour and excitement the sophisticated traveler seeks. Your vacation to this paradise of sun and fun will be an unforgettable one.

So many of our Nobles and their families have had such a delightful time in Paris, San Juan, Copenhagen, Jamaica, the French Riviera, the Canary Islands and Rome, we are continuing our format of a short vacation at a low price to a point of great interest. By traveling as a group, we can save a considerable amount of money and still have first class accommodations and transportation throughout the tour. On all former Shrine tours, the response has been so great, we have arranged this tour in two sections, each for a period of 7 days, so as to afford more Nobles an opportunity to take advantage of this tour which promises to be as memorable as any of our previous trips.

We certainly hope you will join us on this tour and suggest you mail your deposit EARLY. If there is any further information you require, or any service we can render, please do not hesitate to call us.

Sincerely,

Harvey B. Legge

Harvey B. Legge, Recorder
